EZ Tools & Sprayers, based in Lake Zurich IL, is a company dedicated to manufacturing extremely high quality commercial and DIY garden, agriculture, outdoor cutting tools and sprayers.

Today our brands have a presence in more than 60 countries. We have a competitive advantage by controlling the entire manufacturing process. From design, mold manufacturing, injection of plastic parts, assembly, quality control and customer service.

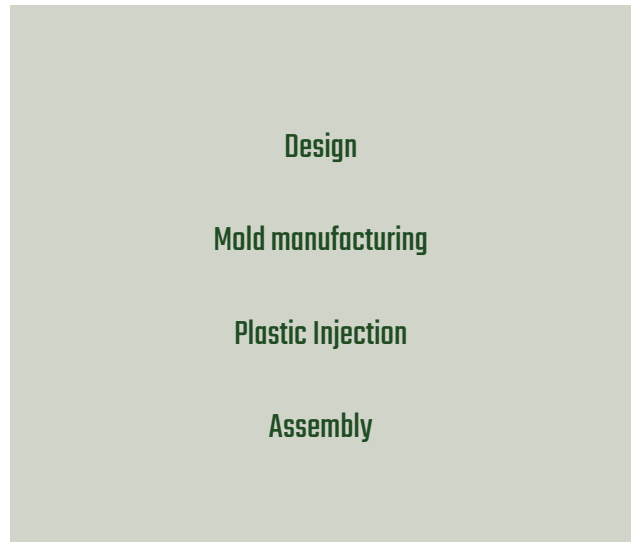

Our international headquarters and factory is located in Valencia, Spain. (Europe) The factory has more than 322,000 square feet. It is composed of a multi disciplinary team. R&D, engineers, product designers, project managers and management.

EZ Tools & Sprayers is made up of 4 unique brands.

"We are capable of adapting to the needs of our customers by controlling the entire product manufacturing process"

About our brands

PULMIC brand specialized in agricultural spraying. PULMIC products are designed for professionals who want to have the greatest possible control of applications with high quality performance and always respecting the environment.

1987 — Pulmic

1988 — Ez-Kut

EZ KUT was born from the desire to build extremely high quality, lifetime guarantee tools that work and last. EZ KUT's time tested designs, have survived the harshest environments and toughest individuals. From weekend warriors to the hardcore professionals. The EZ KUTTER is someone who hates junk tools and doesn't settle for anything less than the best.

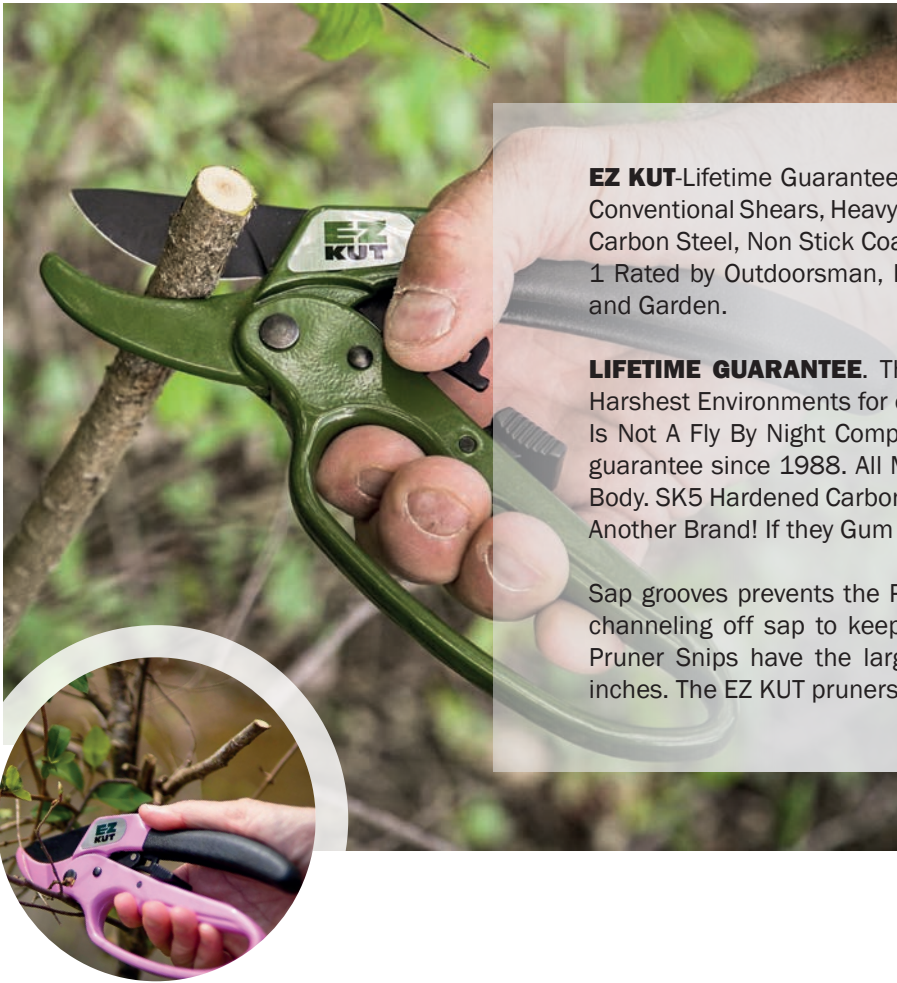

Originally founded in 1988 by lifelong Outdoorsman, Buster Greenway, these tools have been demonstrated and sold across the country to millions of people. Scott Bast (President) purchased EZ KUT in 2014. Scott have taken the company into many new markets and distribution channels. Todays he leads EZ Tools & Sprayers for the US market.

KAMIKAZE brand specialized in outdoor cutting tools for different uses. It is one of the leading brands in the European market, where the combination of Japanese steel with components manufactured by us makes the products competitive and high performance.

EZ KUT RATCHET PRUNERS

EZ KUT-Lifetime Guaranteed, All Metal Ratcheting Pruner. 5 X the Power of Conventional Shears, Heavy Duty Professional Grade Clippers. SK5 Hardened Carbon Steel, Non Stick Coated Blade and Ergonomic Comfort Grip. Number 1 Rated by Outdoorsman, Hunters, Trail Riders, Farmers, Ranchers, Home and Garden.

LIFETIME GUARANTEE. These Durable Pruners have been tested in the Harshest Environments for over 30 Years. Never Worry! It's Covered! EZ KUT Is Not A Fly By Night Company. We have been standing by our quality and guarantee since 1988. All Metal Construction. High Quality Cast Aluminium Body. SK5 Hardened Carbon Steel Blade with a Non Stick Coating. Never Buy Another Brand! If they Gum Up Or Rust, You Might As Well Throw It Away.

Sap grooves prevents the Pruning Cutters from sticking and saves time by channeling off sap to keep the blade clean of debris after each cut. Our Pruner Snips have the largest cutting capacity. Can easily cut up to 1.5 inches. The EZ KUT pruners can also circle cut Like No Other Cutter.
